

Hello, we are Zhongxiao Elementary School in Keelung, Taiwan. There are 60 students and 13 teachers. Though we are just a small school, we are looking forward to making friends abroad and keep lasting friendship.

We hope to

1. Before close, teachers from both schools can discuss about class content and methods.
2. Students from both school can interact via Internet and discuss cultural topics about:
  - A. Self introduction
  - B. School environment and curriculum
  - C. Our daily life differences
  - D. Traditional holiday introduction
  - E. Our food
3. We can be pen pals. Students can write via social network services such as Line or Facebook Messenger.
