

Dingxi Elementary School is a public school in the Yonghe District of New Taipei City. The school is located on Wenhua Rd. and is five minutes from Dingxi Station on the Taipei MRT.

1. A Nice Place to Be

Dingxi is very lucky to have a wide-open campus where students can rest, relax, and play. The school has many play areas and natural features that connect our students to nature.

2. Diverse School Clubs

The school is home to many different clubs. These clubs help us to support and build students' interests.

3. The Best Teachers and Staff

The teachers and staff at Dingxi are committed to helping students learn and succeed in life.

4. Student Welfare

Students at Dingxi are kind and well-behaved—this is not a coincidence. We take care of our students from day one to build positive minds and warm hearts. Leaders at our school, including the teachers and principal, take special care to make sure students are always supported.

5. A Real Community

Our school isn't too big, but it also isn't too small. Dingxi has about 35 classes in total, or about six classes in each grade. The school's modest size means that we are able to build a real and sincere community between students and teachers.
