แนะนำโรงเรียน Annjudy School พอสังเขป

Annjudy School was founded by Mr. Thares and Mrs. Chantana Bovornprus in 1984, initially offering only kindergarten classes in Tipawan Village. In 2014, the school relocated to PraditSamosorn Road, not far from its original site, and expanded its academic offerings to include primary education.

Annjudy School is a private school located in Samutprakarn, Thailand. We offer age 2 to 12 from kindergarten to Grade 6. Following the curriculum of the Ministry of Education, the school emphasizes Thai, Chinese, and English language learning, ensuring students can communicate naturally in all three languages. Academic excellence is promoted through engaging activities and various learning processes, fostering well-rounded development in students.

Currently we have 130 Students, 75 in kindergarten and 55 in Primary including 25 teachers and carers. With our small classes size, our teachers can provide comprehensive and attentive care to enhance student engagement, ensuring that each student receives personalized support.
