

五峰國中發展沿革

五峰國中為新店地區首屈一指的優質學府，多數家長具備高社經背景，對於學校辦學抱持高度期待，學校勢必將面臨更嚴峻的挑戰。然「態度決定高度、格局決定結局」，面對十二年國民基本教育新課綱推動，學校轉型發展的關鍵契機，更需要思考如何將理念轉化為實際的行動，發揮文化學習與尊重人文的精神，並達成人本化、多元化、鄉土化、資訊化與國際化的教育發展目標。其次，學校的經營從學習型學校出發期望能獲致全面品質的提昇，不僅在於學生的學習、家長的參與，更重要的期許教職員生的全面成長，務使教師樂於專業之發展與教學，親師生浸盈於溫馨和樂的學習環境，提供學生多元學習的舞臺，培養學生核心素養，協助每個孩子適性發展。

Wu-Feng is a highly reputable junior high school in Xindian area. Most parents with higher social economic status hold high expectations of school management, and we are bound to face tougher challenges.

However, attitude determines altitude. In order to implement 12-Year Basic Education, schools need to think about how to transform ideas into actual actions. The move from the 9-Year Compulsory Education to

12-Year Basic Education allowed school to give full play to the spirit of cultural learning and respect for humanities, In addition, achieve the educational development goals of humanism, diversification, localization, technologization and internationalization.

Secondly, the development and management of the school begins from being a learning school and we expect a comprehensive quality improvement overall. It lies not only in the learning of students and the participation of parents, but more importantly, the all-round growth of teachers, teaching staffs and students is expected. Teachers can further develop in their profession, and create a warm and happy teaching environment for both students and teachers, which give students a stage for diverse learning and training, and finally it will lead to the development of core literacy of every students, and help each of them grow in an appropriate manner.
