

Introduction of Xiufeng High School

Overview

Xiufeng High School is situated at Xizhi District, an area surrounded by mountains and lakes in New Taipei City. Xiufeng is medium-sized. Its Day Division consists of junior high school and senior high school. The former is composed of 45 regular classes, 2 special education classes, 1 resource class, and 1 vocational training class. The latter is made up of 18 regular classes, 3 P.E.-gifted classes. In total, its Day Division has 70 classes. As for its Evening Division, there are 3 classes for senior high education. Xiufeng has 2,011 students, and 150 teachers and staff members. It is proud of the intimate interaction between students and teachers. It is sure that its culture will keep moving toward the goals of autonomy, respect, proficiency, and love.

History

Xiufeng was established in 1955 as the joint division of five national senior high schools. Its full name was Xizhi Joint Division of Taipei Second Girls High School, Taipei Municipal Jianguo High School, The Affiliated Senior High School of National Taiwan Normal University, Taipei Chenggong High School, and Taipei First Girls High School. Its full name was abbreviated as Xizhi Joint School. Regarding administration, it was subordinated to Taipei Second Girls High School.

In 1964, it was reformed as Taipei County Municipal Xiufeng Middle School. In 1968, due to the full-scale implementation of the nine-year public education program in Taiwan, it was adjusted as Taipei County Municipal Xiufeng Junior High School. On August 1st, 1997, to meet the educational policy, it was modified as Taipei County Municipal Xiufeng High School to be a complete school enrolling both junior and senior high schoolers. On October 4th, 2000, with the approval of Taipei County government, its name was changed to be Taipei County Municipal Xiufeng Senior High School. On December 25th, 2000, because Taipei County was upgraded to a special municipality as New Taipei City, its name was altered to be New Taipei Municipal Xiufeng High School.

Xiufeng is known as the number one high school in Xizhi. In addition, it is the fortress to cultivate talents and develop culture. Recently, its surroundings are bettered with convenient transportation and abundant resources as the result of the reconstruction of facilities. Moreover, with its campus beautified, its structures brought up to date, its playground rebuilt, and its sport player training station, student e-learning center, and teaching media center newly established, Xiufeng further provides students with multiple learning resources, creating a new phase of school education.

Buildings and Equipments

Buildings in Xiufeng are classified according to their functions. In total, there are 69 regular classrooms, 2 individual consulting rooms, 1 group counseling room, and 21 course classrooms, including 3 physics and chemistry labs, 2 biology classrooms, 1 living technology and earth science classroom, 1 audio-visual classroom, 2 art classrooms, 2 music classrooms, 1 performance classroom, 3 computer classrooms, 2 culinary arts classrooms, 1 language lab, and 3 multifunction classrooms.

Besides the classrooms, there is a stadium with the capacity of more than 2600 people. It is also a gymnasium equipped with an indoor basketball and softball practice field, a weight training area, a

Taekwondo practice field, and student extra-curriculum activity rooms. In addition to the indoor gymnasium, there is a playground for all outdoor sports. Aside from the buildings aforementioned, there is a six-story library, which is popular with students and teachers. It is built with an auditorium (with 290 seats), an exhibition hall, a two-story stack area, a meeting room, a briefing room, a student e-learning center, a teaching media center, a reading area (with more than 400 seats), and a study center.
