

Sinjin Elementary School

1. A brief history of the school:

Sinjin Elementary School is located in Xinying District, Tainan City, and is adjacent to some leisure and art spaces in this area, such as Nanying Green City Park and Xinying Cultural Center.

Sinjin Elementary School will enter its 67th anniversary in 2023. It currently includes Kindergarten and Elementary School Grades 1 to 6, with a total of more than 1,000 students.

2. Characteristics of the school:

There is an art class in each of the third to sixth grades of Sinjin elementary school. The teaching team has professional strength in fine arts, and the students' works have won numerous awards.

There is also an International English Village, which mainly focuses on American English education. Professional foreign teachers who are permanently stationed in the school stimulate children's motivation to learn.

Sinjin elementary school has also developed an ALT course (Aesthetics, Languages, Technology) for grades 1 to 6 in the past few years, hoping that children will have multiple abilities to connect with the world.
